Financial Information

I would recommend that you order your travel and hotel as soon as possible because you can probably get the best deal this way.

Norslis will cover lunches and coffee during the workshop, but dinners will be at your own.

Norslis will probably be able to give a small sum to help students that are not fully supported from their institutions or other funds.

It is at present difficult to estimate the amount but it will depend on the number of students that need support and other expenses. My estimate would be that we would be able to support some students with amount in the range of 100 – 300 euros.

If you or your institution needs this kind of support, please send me an email. My email address is nop@db.dk

Look forward to see you in Tallinn.

Best wishes
